

Certified Revenue Management Executive Certification Application

About the Certified Revenue Management Executive (CRME)

The CRME is a prestigious certification in revenue management from the Hospitality Sales and Marketing Association International (HSMAI). Individuals working in revenue management in the hospitality industry, if they meet the minimum qualifications, can take an exam to confirm their knowledge, experience, and capabilities in the field.

The study guide for the exam, which is included in the examination fee, is *Evolving Dynamics: From Revenue Management to Revenue Strategy*, published by the HSMAI in 2019, developed under the leadership of HSMAI’s Revenue Management Advisory Board.

Benefits of a CRME Designation

The CRME designation is recognition that you are:

- A professional in the field of revenue management and clearly conversant with its intricacies and importance.
- Competent to develop an infrastructure to support revenue management within the framework of an organization.
- Able to maximize revenue opportunities and optimize profits by managing revenue.
- Capable of making informed decisions to accept or reject pieces of business to meet overall organizational goals.
- Proficient at the art and science of revenue management.

How to Become a CRME

The CRME certification program is a two-part process in which you must complete the CRME application to demonstrate your eligibility (minimum points: 50), and then pass an online exam covering the functions performed in revenue management.

CRME applications may be sent to HSMAI University any time throughout the year. Once approved, you may take the online exam at a time of your choosing, as long as it is within twelve (12) months of having your application approved.

CRME Fees

Fees must be paid by credit card, international bank transfer, or check made payable to HSMAI. All fees are subject to change at any time. Fees are also non-refundable and non-transferable.

<i>Fees Related to the CRME Program</i>	<i>Fee in USD HSMAI Members</i>	<i>Fee in USD Non-Members</i>
CRME Application & Exam Fee	\$450	\$625
Re-examination Fee	\$45	\$45
CRME Recertification Fee*	\$150	\$200

Applying for the CRME Designation

Eligibility is determined by four main areas on the application. To qualify, you must have a minimum of 50 points.

Once your application is approved, you will be eligible to take the online exam.

Taking the CRME Examination:

The examination component of the certification consists of an online written examination of fifty (50) questions. You will have sixty (60) minutes to complete the exam. All questions are based on the study guide, *The Evolving Dynamics of Revenue Management: A Comprehensive Revenue Optimization Road Map for Hotel Owners, Operators and Practitioners*.

Maintaining the CRME Designation – Recertification*

CRMEs are required to renew their certification every three years.

To be recertified, CRMEs must earn a minimum amount of points on the recertification application – there is no exam required. All points claimed must have been earned within the past three years, since the date of initial CRME certification or last renewal. Therefore it is important that you keep track of all your activities each year even after receiving the CRME.

Certifications expire on December 31, three years from the year a person originally certified (e.g., if you certified in 2008, regardless of which month of the year, your certification is due for renewal by December 31, 2011).

Annual recertification notices are sent as a courtesy in the first quarter of the year in which the individual is due for renewal and additional reminders are sent throughout the year. With that notice, CRMEs receive information regarding the recertification process and instructions to access the recertification application form and guidelines.

The completed application and recertification fee is due October 15. A late fee will be applied to applications received between October 16 and December 31. It is the CRME's responsibility to make a note of their recertification date, which is provided on the CRME certificate mailed after successful completion of the examination. Adhering to all deadlines is the responsibility of the CRME.

<i>Fees Related to CRME Recertification</i>	<i>Fee in USD HSMIAI Members</i>	<i>Fee in USD Non-Members</i>
CRME Recertification Fee – by October 15	\$150	\$200
Late Recertification Fee – after October 15 and before December 31	\$200	\$250
Lapse Year Recertification – by December 31 of the year following recertification year	\$300	\$350
